Dr. Stephen Schuler Invites DCPG Network Dentists To Join Him Online

Join DCPG's Chairman of the Board at [LinkedIn](#), the world's largest and fastest growing social networking site focused on career and professional affiliations. Whether or not you've already registered for LinkedIn, you are eligible to join the LinkedIn site developed by Stephen Schuler, DMD. The site is devoted to DCPG network dentists, and the "ingroup" within the dentist site is dedicated to DCPG shareholders.

What DCPG LinkedIn Will Feature

From the dentist site, Dr. Schuler and other site managers will send links to industry articles of interest or links to DCPG-developed materials. From the shareholder subgroup, DCPG will send links to SEC-filed information as well as other DCPG-developed materials with information already filed with the SEC.

DCPG will also send out short surveys from the dentist site and from the shareholder site from time to time.

What DCPG LinkedIn Won't Feature

As a dentist-owned company, DCPG must comply with "restriction of trade" laws. As an SEC-reporting company, DCPG must adhere to strict rules regarding the disclosure of financial or strategic information to current or potential shareholders.

So, while the discussion portion of LinkedIn cannot be enabled, Dr. Schuler will encourage direct communication with him and with DCPG through LinkedIn.
